positive partnerships

Working together to support school-aged students on the autism spectrum

Free One Day Workshop for Parents and Carers

Kingaroy
Wednesday
15 March 2017

Positive Partnerships is coming to a location near you!

Join us for a day of learning with other parents and carers of school aged children on the autism spectrum, designed to help you foster productive school, family and community relationships to provide the best kind of support for your child. Our workshops are for parents, carers and grandparents wanting to understand more about autism and learn practical strategies using evidence based resources to help maximise their young person's learning.

What will you gain by attending this workshop?

- An increased understanding of the impact of autism
- Further knowledge about how to develop effective partnerships with your school
- Information to help you access further support both inside and outside of school
- An opportunity to be part of a support network where you can share strategies and experiences with other parents/carers
- An understanding of a planning tool that can be used to share key information related to your child
