

Get savvy with social networking

for pre-teens

Most social networking sites don't allow people under the age of 13 to register.

If your child wants to join social networking sites, follow these handy tips.

Try youth-based sites

They have stricter child safety policies.

Say no to faking!

Encourage kids to use their real age online.

Get in the know

Find out how to set privacy controls and report abusive or inappropriate content.

Create safe boundaries

Establish rules for use and time spent online.
